E-POS Panel PC

Make it simple!

All-In-One-Computer

E-PoS Touch Panel PC is a new generation of computer: all-in-one design. E-PoS Panel PC is a full-featured Computer with LCD TFT Touch monitor. With the same start up time as any P4 System, and works exactly the same as any traditional desktop.

Applications:

Restaurants, POS, Kiosks, Retail, Hospitality, Transportation, Office, Automation, Gaming and more.

With an Intel Pentium 4 Processor it provides excellent functionality, quality and reliability. It satisfies both home and enterprise needs, Supports Intel P4 Up to 3.06 GHz.

All Hardware is embedded in the space behind the LCD Screen 379.5x353x154mm, 1/3rd the size of a Traditional CRT Monitor.

Good Quality LCD Monitor, use International Grade A+ LCD Monitor and No Dead dot guarantee.

Brightness : 250 cd/m Square

Contrast : 400:1*
Respond time : 16ms

With multi-angle design, the E-PoS Panel PC can be wall mounted to save space and allows you to create a more stylish work environment. suitable e.g. Hotels, Restaurants, Coffee Shops, Private Clubs, etc.

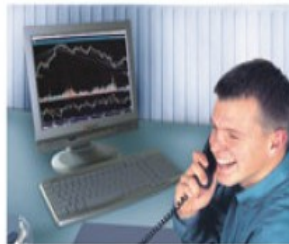

Use's Regular 3.5" HDD, Hence Reducing Cost.
